

Curriculum Vitae: Nicola Waters PhD MSc RN

Post-Secondary Education History

Degrees

Ph.D. in Nursing, 2016. *University of Calgary*. Dissertation title: "The Social Organization of Wound Clinic Work: An Institutional Ethnography". Supervised by: Rankin, Janet.

M.Sc. in Wound Healing and Tissue Repair, 2008. *Cardiff University School of Medicine*. Thesis title: "A Survey of Patients' Perceptions of the Impact of Diabetic Foot Ulcers on Employment".

Professional Designations

Registered Nurse, 1992. *College and Association of Registered Nurses of Alberta (CARNA)*.
Registered General Nurse, 1989. *English National Board for Nursing, Midwifery and Health Visiting*.

Other Studies

Registered General Nursing (Level 1), 1985 - 1989. *Mid-Essex School of Nursing*.

Employment History

Educational Institution Employment

Associate Professor (Tenured), School of Nursing, Thompson Rivers University, Kamloops, B.C. Canada, July 2015 – Present.

Honorary Tutor, Wound Healing Research Unit, Cardiff University School of Medicine, United Kingdom, April 2011 – Present.

Associate Professor, School of Nursing, BN Program, Mount Royal University, Canada, 2008 - June 2015. Tenure achieved: 2014, May.

Other Employment

2004 - 2008, *Area Manager - Alberta and North West Territories*, Mölnlycke Health Care, Canada.

2000 - 2004, *Palliative / Skin and Wound Assessment Team*, Care in the Community, Calgary Health Region, Canada.

1992 - 1999, *RN - Post Anesthetic Recovery Room*, Calgary Health Region, Canada.

1989 - 1992, *Registered General Nurse ICU/Home Care*, Mid Essex Health Region, United Kingdom.

Recent Teaching & Other Supervision Activities

Recent Courses Taught

Winter 2018, NURS 3600 “Professional Practice: Nursing Research” for Thompson Rivers University BScN program.

Winter 2019, NURS 3600 “Professional Practice: Nursing Research” for Thompson Rivers University BScN program.

Course Development

2012, Nursing 4113: Advanced Theoretical Perspectives in Professional Practice. Blended Learning course for Mount Royal University, Bachelor of Nursing Program

2017 “The Canadian Health Care System” HLTH 5200. Blended Learning course for Thompson Rivers University, Master of Nursing Program

Program Coordination

2016 – 2018 Program Coordinator, Master of Nursing Program (launched September 2017), Thompson Rivers University

Guest Lectures

2019, February. “*Assessment and Management of Complex Wounds*” NURS 2840. BScN Program, TRU.

2017, “*Factors Affecting Wound Healing*” for Cardiff University, Master of Wound healing and Tissue Repair

2017, October and 2018, March. Invited speaker: “*Care considerations for foot wounds*”. Foot Nurses Certification Course, Kamloops.

2017, 2018, 2019. November. “*The Social Organization of Nurses’ Wound Work*” NURS 5100. MN Program, TRU.

Student Supervisions

Undergraduate

2017. Undergraduate Research Experience Award Program (UREAP) student recipient of \$5,500 undergraduate research grant. Thompson Rivers University. Role: Supervisor.

Research based degree

2019, MN at Thompson Rivers University, School of Nursing, Role: Supervisor.

2018, PhD at Massey University, New Zealand. Role: Committee member.
Thesis Topic: An inquiry into the everyday healthwork of people managing their healthcare within New Zealand's Primary Health Care setting.

2017, PhD at University of Alberta, Faculty of Nursing, Role: Committee member. Thesis Topic: An Institutional Ethnography of Clinical evaluation in Nursing education.

2017, MN at Thompson Rivers University, School of Nursing, Role: Supervisor. Thesis Topic: An Institutional Ethnography of Long Term Care.

2016, MN at University of British Columbia, Thesis Title: Central Venous Access device-associated skin impairment: A pilot study comparing dressing to no dressing in adult allogeneic stem cell transplant recipients. Role: committee member. [Supervisor: Dr. Wendy Hall]

2015, MSc. in Wound Healing and Tissue Repair at Cardiff University. Faculty of Medicine. Role: Supervisor. Thesis Title: "A Survey of Healthcare Providers Knowledge of and Attitude towards Pressure Injuries (Pressure Ulcers) and the Factors they associate with Facilitating or Impeding Pressure Injury Prevention and Management Practices"

2015, MSc. in Wound Healing and Tissue Repair at Cardiff University. Faculty of Medicine. Role: Supervisor. Thesis Title: Community clients' experience of self-managing their chronic wounds.

Graduate Student Mentorship

2018, PhD student. Queens University Belfast, Thesis Title: Ageing with Autism – Exploring the "health and social work" of adults with autism (35+) and their ageing familial caregivers.

2018, PhD student. Queens University Belfast, Thesis Title: An Institutional Ethnography of the Objective Structured Clinical Examination.

2018, MSc. student (Wound Healing and Tissue Repair) University of Cardiff School of Medicine.

Awards & Distinctions

Academic Prize: "George W. Smith Graduate Student Paper Award Competition" (United States). Conferred by *Society for the Study of Social Problems*. 2013.

Scholarship: "Queen Elizabeth II Graduate (Doctoral) Scholarship," (Canada). Conferred by *University of Calgary*. 2013, January.

Scholarship: "Bianca Beyer Award" (Canada). Conferred by *Canadian Nurses Foundation*. 2012, September.

Scholarship: "Queen Elizabeth II Graduate (Doctoral) Scholarship". Conferred by *University of Calgary*. 2011.

Scholarship: "Rotary Clubs of Calgary Doctoral Scholarship 2010" (Canada). Conferred by *Rotary Clubs of Calgary*. 2010, September.

Scholarship: "Dean's Entrance Scholarship". Conferred by *University of Calgary*. 2010.

Scholarship: "Doctoral Bursary". Conferred by *Alberta Registered Nurses Education Trust*. 2009 - 2010.

Book

In progress. Smith, Dorothy, **Waters, N.** and Webster, F. (editors) "Healthwork: The invisible work of patients".

Book Chapter

In Print. Woo, K.Y. and **Waters, N.R.** Chapter1: Quality of life and Ethical issues in: *Wound Care Essentials: Practice Principles 5th Edition*. Sharon Baranoski and Elizabeth A. Ayello (Editors)

Research Presentations

Forthcoming 2019, October. **Waters, N.** Every Wound Tells a Story - Challenges of Conducting Clinical Trials with Patients Living with or at Risk of Chronic Wounds The 2nd World Conference on Advanced Treatments & Technologies in Wound Care (ATTWC2019). Dusseldorf, Germany.

2019, June. Dergousoff, D., Smith, D.E., Doll, A., **Waters, N.,** Ross, C.
A Conversation about Accountability Circuits in Institutional Ethnography, Society for Socialist Studies Conference, The University of British Columbia, Vancouver, BC.

2019, May. Kerr, H., Hall, W., Howard, F. and **Waters, N.** Central Venous Access Device-Associated Skin Impairment: A Pilot Study Comparing Dressing to No-dressing in Adult Allogeneic Stem Cell Transplant Recipients. GSNA 2019 Research Symposium. University of British Columbia

2019, April. **Waters, N.** McIsaac, C. Tingle, T. Burden of wound care: emotional and financial Canadian experience: challenges unique to Canada, Patient experience, 5th International Skin Integrity and Infection Prevention Conference, Kamloops, BC.

2018, June. **Waters N.** Wound management and research in Canada: Opportunities and Challenges. 3rd International Conference on Skin Integrity and Tissue Viability: Emerging Evidence in Tissue Viability. Invited speaker at the University of Huddersfield, UK.

2018, February. **Waters N.** & Achoba Omajali, A. Faculty and Student Experiences of Developing an Interactive Social Construction Timeline of the Canadian Health Care System, Western North-Western Region Canadian Association of Schools of Nursing (WNRCSN), Calgary, Alberta.

2017, November. Plenary Session: The Great Debate: What is Evidence? Speakers: Karen Campbell, Ranjani Somayaji, **Nicola Waters**, Kevin Woo, Wounds Canada National Conference, Mississauga, Ontario.

2017, November. **Waters, N.** An Institutional Ethnography of Nurses' Outpatient Wound clinic work. Invitational Lecture, Master of Nursing Program, University Autònoma de Barcelona, Spain.

2016, November. **Waters, N.** A guide to asking and answering graduate committee questions about institutional ethnography. IIQM University of Alberta, Edmonton, AB.

2016, November. **Waters, N.** From ancient wisdom to modern science: Knowledge of mind-body connections in wound healing. Canadian Association of Wound Care Conference, Niagara, ON.

2016, October. **Waters, N.** What institutional ethnography is and what it is not. A guide to asking and answering questions about the IE approach to health care research. Qualitative Health Research Conference, Kelowna, BC.

2016, August, **Waters, N.** and Ringham, C. "Innovative approaches to IE analysis: Tools for connecting the dots". The Society for the Study of Social Problems Annual Meeting, Seattle, WA.

2016, July. **Waters, N.** "The Social Organization of Wound Clinic Work", Leicester University, Leicester, UK.

2016, February 17th, **Waters, N.** "The Social Organization of Wound Clinic Work", Trinity Western University Faculty of Nursing lunch and learn.

2015, April 30. **Waters, N.** "Challenges, Changes and Choices - Living with Chronic Wounds". Presented to Southern Illinois University School of Medicine. Presented at 20th Annual Wound Symposium, Springfield Illinois. Keynote Speaker.

2014, December 3. **Waters, N.** "Whole Patient Skin and Wound Assessment Related to Pressure Ulcers". Presented to Scottish NHS Patient Safety Programme, Scotland UK, Webex conference. Invited Speaker.

2014, November 2. Ayello, E. and **Waters, N.** "Unavoidable Pressure Ulcers". Presented at Canadian Association of Wound Care, Toronto. Invited Speaker.

2014, October 18. Bates-Jensen, B., Desvigne, M., Kass, J. and **Waters N.** "AAWC Global Volunteers - Experiences of volunteering with wound team in India". Presented at The Symposium on Advanced Wound Care, Las Vegas, Nevada. Invited Speaker.

2014, September 18. **Waters, N.** "Assessing and Treating the "whole" patient?" Presented to MSc. Wound Healing and Tissue Repair Students, Teleconference with Cardiff, UK.

2013, November 9. "L Series Wound Certification Course - Pressure Ulcers". Presented at Canadian Association of Wound Care National Conference, Vancouver, British Columbia. Invited Speaker. Co-presenter: Norton, L.

2013, August 30. "Translating enthusiasm into clinical practice - An educational perspective". Presented to European Pressure Ulcer Awareness Panel. Presented at European Pressure Ulcer Awareness Panel, Vienna, Austria. Invited Speaker.

2013, August. "Towards an Institutional Counter Cartography of Nurses' Wound Work". Presented to Society for the Study of Social Problems, New York, USA.

2013, February. "Pressure Ulcer Prevention". Presented to Professional Communication for Internationally Educated Health Professionals, Calgary, Alberta. Invited Speaker, Mount Royal University. Invited Speaker.

2013, February 19. "The Social Organization of Nurses' Wound Work". Presented to Skyline Rotary Club of Toronto, Toronto, Ontario. Invited Speaker.

2012, November 10. "L Series Wound Certification Course - Pressure Ulcers". Presented at Canadian Association of Wound Care National Conference, London, Ontario. Invited Speaker.

2012, September 21. "Evaluation of an Innovative Pressure Monitoring Technology as an Educational Tool in a Simulation Learning Environment". Presented to EPUAP. Presented at European Pressure Ulcer Awareness Program, Cardiff, Wales, UK.

2011, May. "Psychosocial Aspects of Living with a Foot Ulcer". Presented at Canadian

Association of Foot Care Nurses 2nd National Foot Care Symposium & Annual Meeting, Calgary, Alberta. Invited Speaker.

Conferences

Conference Papers

Waters, N. & Rankin, J. (2017, August). Narratives of the Wounded: How Patients are Institutionally Organized to Tell Their Stories through Their Wounds. Society for the Study of Social Problems, Montreal, QC.

Waters, N. (2014, June). Exploring Ruling Relations in the Social Organization of Nurses' Outpatient Wound Clinic Work. Presented at *Gender Work and Organization* (Keele, UK).

Waters, N. (2013, August). Towards an Institutional Counter Cartography of Nurses' Wound Work. Presented at *Society for the Study of Social Problems* (New York, USA).

Waters, N. (2010, May). Challenges of Providing Patient-centered Wound Care. In *Philosophy in the Nurse's World: Politics of Nursing Practice* (Banff, Alberta).

Conference Abstracts

Forthcoming (2019, October). **Waters, N.** Every wound tells a story: Benefits and challenges of conducting clinical trials with participants living with or at risk of chronic wounds. The 2nd World Conference on Advanced Treatments & Technologies in Wound Care, Düsseldorf, Germany. Invited speaker.

Forthcoming. (2019, July) Carter-Snell, C.J. Tory. A. and **Waters, N.** Preventing Sexual Assault in Natural Disasters. XXXVIth International Congress on Law and Mental Health, Rome, Italy.

MacDonald, S., Graham, B., Paragg, J., Foster-Boucher, C., **Waters, N.**, SheaBudgell, M. Bedingfield, N., Kuyk, D., Dubé, E., Healy, B., Bill. L., Svenson, L., Nelson. G.S. (March 2019). The invisible work of parents in accessing childhood immunization in a First Nation community in Alberta. *8th International Meeting in Indigenous Child Health*, Calgary, Alberta.

Waters, N. and Ringham, C. (2016, August) “Innovative approaches to IE analysis: Tools for connecting the dots”. *The Society for the Study of Social Problems Annual Meeting*, Seattle, WA.

Carter-Snell, C., & **Waters, N.** (2015, May) Disaster Nursing: Preparing for the Unexpected in the ED. For *National Emergency Nurses Association* (Edmonton)

Bates-Jensen, B., **Waters, N.**, Desvigne, M., & Kass, J. (2014, October 18). AAWC Global Volunteers - Experiences of volunteering with wound team in India. For *The Symposium on Advanced Wound Care* (Las Vegas, Nevada) (In Print). (Role: Presenter).

Norton, L., & **Waters, N.** (2013, November 9). L Series Wound Certification Course - Pressure Ulcers. For *Canadian Association of Wound Care National Conference* (Vancouver, British Columbia). (Role: Presenter).

Waters, N. (2013, August 30). Translating enthusiasm into clinical practice: An educational perspective. For *European Pressure Ulcer Awareness Panel* (Vienna, Austria). (Role: Presenter).

Waters, N. (2013, August 29). Teaching Pressure Ulcer Management: A Canadian Perspective. For *European Pressure Ulcer Awareness Panel* (Vienna, Austria). (Role: Presenter).

Norton, L., Slivinski, A., **Waters, N.**, & Eisenberg, M. (2012, November). L Series Wound Certification Course - Pressure Ulcers. For *Canadian Association of Wound Care* (London, Ontario). (Role: Presenter).

Waters, N. (2011, September 11). The Psychological and Social Impact of Chronic Wounds. For *Clinical Symposium on Advances in Skin & Wound Care* (Washington DC) (In Press). (Role: Presenter).

Ayello, E., & **Waters, N.** (2010, November). Quality of Life Indicators- Neuropathic Pain & Diabetes Foot Ulcers. For *Canadian Association of Wound Care* (Calgary, Alberta). (Role: Presenter).

Waters, N. (2009, May). Patients' Perceptions of the Impact of Diabetic Foot Ulcers on Employment. For *Wound Ostomy Continence Nurse Society Annual Conference* (St. Louis, Missouri, USA) (In Print). (Role: Presenter).

Workshop Facilitation

2019, August. **Waters, N.** Institutional Ethnography one day workshop, Society for the Study of Social Problems, New York, NY, USA.

2019, June. **Waters, N.** Thinking as an Institutional Ethnographer - Mapping and Counter-Mapping the World around us. IIQM Thinking Qualitatively Workshop Series, University of Alberta, Edmonton, Alberta.

2019, April. Parsons, L., **Waters, N.**, Maclean, M.A. and Cox, S. Wound Care at the Frontlines: Tips and tools for adapting wound management to a variety of clinical settings. 5th International Skin Integrity and Infection Prevention Conference, Kamloops, BC.

2018, June. **Waters, N.** and Ringham, C. Institutional Ethnography for Graduate Students. Workshop. Invited facilitator. Queen's University, Belfast NI.

2017, August. Co- facilitator Institutional Ethnography Workshop, Montreal, Canada, for Society for the Study of Social Problems.

2016, August. Co- facilitator Institutional Ethnography Workshop, Seattle, WA, for Society for the Study of Social Problems.

2014, August. Co- facilitator Institutional Ethnography Workshop, San Francisco, CA, for Society for the Study of Social Problems.

2011, March. **Waters, N.** "Psychosocial Aspects of Chronic Wounds". Presented at Saskatoon Health Region Skin and Wound Care Workshop – Reducing Barriers to Quality Patient Care, Saskatoon, Saskatchewan. Keynote Speaker.

Current Research Projects

Toronto Grace Health Centre, Phase I of III. Observational Study Evaluating Bed Surface Conditions of a Subject at Risk of Developing Pressure Injuries Using a Novel Technology. \$1.3 million co-funded Centre for Aging and Brain Health Innovation (CABHI) and Curiato. (Role: Chief Scientific Officer/Medical Monitor).

University of Alberta. Childhood Immunization in Alberta First Nations People: Measurement of Coverage and Identification of Barriers and Supports. Funding Received. Canadian Institute for Health Research. \$199,768 (Role: methodology expert – institutional ethnography).

Mount Royal University, Carter-Snell, C.J. Tory. A. and **Waters, N.** Sexual Assault in Natural Disasters. Thematic analysis of qualitative interviews with disaster agency and sexual assault centre staff.

Public Communications

Press Report

2018, June. *Wound care and leg ulcer advances feature at conference.*
<https://www.hud.ac.uk/news/2018/june/wound-care/>

YouTube Video

2016, November, *A Guide to Asking & Answering Graduate Committee Questions on Institutional Ethnography.* Available at: <https://www.youtube.com/watch?v=kdNzRmSSzD4>

Consulting/Advising Activities

March 2019 – Consensus Panel Member, London, UK. Journal of Wound Care, Medical Device-Related Pressure Injuries.

2017 - 2018, Member Scientific Advisory Committee – Mölnlycke Health Care, Canada.

2017 - Consultant: Alberta Health Services - Diabetic Foot Ulcer Peer Support Program

2013 - 2014. Member Editorial Board, for Diabetic Foot Canada Journal.

2014, February 25 - 2014, February 26. Invited Expert International Consensus Meeting, for National Pressure Ulcer Advisory Panel, Johns Hopkins University, Baltimore, USA, The Unavoidable Outcome: A Pressure Injury Consensus Conference.

2012. Invited Advisor (volunteer) - Diabetes Foot Ulcer Prevention (DFUP) Peer Educators Initiative, for Public Health Agency of Canada / Canadian Association of Wound Care. (Type: Federal Government).

2011 - 2012. Expert Reviewer - Competency Guidelines for Academic Preparation of Baccalaureate Nurses Caring for Patients with Wounds, for Wound Healing Society, USA.

2011 - 2012. Peer Reviewer - Cochrane Systematic Review, for Cochrane Wounds Group, University of York, U.K.

2010. National Wound Research Task Force - Invited member, for Canadian Association of Wound Care. (Type: Not For Profit).

2010. Nursing Scope of Practice - Wound care, for College and Association of Registered Nurses of Alberta.

Interviews/Media Relations

2019, April. A local Canadian lens on the burden of wounds, By John Gregory, IIWCC. Available at: <https://www.opencityinc.com/local-canadian-burden-of-wounds/#.XO613dNKgdU>

2018, Fall. From the bench to the bedside: Investigating the treatment of chronic wounds. By Danna Bach. Thompson Rivers University Annual Report Publication.

2017, Winter. Reflections on the Wounds Canada Fall Conference. By John Gregory, IIWCC *Wounds Canada*.15 (3)

2012, October 22. In *Calgary Journal*, by Cameron, J. "Skin and Wound Care Innovations Symposium".

Participation/Membership Activities

Membership in Scholarly Societies or Other Organizations

- 2015- Present Member/Speakers' bureau member: Association for the Advancement of Wound Care (AAWC).
- 2016-Present Member Scholar (Faculty): International Institute for Qualitative Methodology (IIQM).
- 2013 - 2014 European Pressure Ulcer Advisory Panel.
- 2009 - 2014 Institutional Ethnography Working Group.
- 2009 - 2013 Association for the Advancement of Wound Care (AAWC).
- 2003 – Present. Canadian Association of Wound Care (CAWC) – Now Wounds Canada.
- 1992 - 2015 College and Association of Registered Nurses of Alberta.
- 2015 – Present. College of Registered Nurses of British Columbia
- 2009 - 2015 Wound Healing Society.
- 2011 – Present. Society for the Study of Social Problems.

Committees

Committee Memberships

- 2015-Present National Research Committee, Canadian Association of Wound Care. Role: Member.
- 2015-Present National Advocacy Committee, Canadian Association of Wound Care. Role: Member.
- 2015-Present National Policy Committee, Canadian Association of Wound Care. Role: Member.
- 2012 - 2015 Website Content Taskforce, Association for the Advancement of Wound Care.

Elected Official Activities

- 2017- Present Board of Directors, International Wound Infection Institute (IWII)
- 2017-19 Elected Chair, Society for the Study of Social Problems, Institutional Ethnography Division https://www.sssp1.org/index.cfm/m/308/Division_Elections/
- 2012 - 2017 Secretary - Board of Directors, Canadian Association of Wound Care.

Administrative/Organizational/Executive Activities

- 2018 – Present. Lead: Cell and Wound Innovation and Research Collaborative (CWIRC) a new initiative for clinical wound research in Canada.
-

2017- Present. University representative on national committee. N2 - Canada's Alliance for Excellence in Clinical Research

Event Administration Activities

2019, April, Conference Chair, 5th International Skin Integrity and Infection Prevention Conference, Kamloops, BC, Canada.

2017, May. Conference Chair, Canadian Association of Wound Care National Conference (2017, May, Kamloops, B.C.).

2015, December - present. Member Scientific Planning Team, Canadian Association of Wound Care National Conference (2016, November, Niagara, Ontario).

2012, May - 2012, November. Organizer, Skin and Wound Care Innovations Symposium (2012, October 22).

Journal Reviewing/Refereeing Activities

2012 - 2019 Journal of Clinical Nursing. Blind Review.

2009 - 2015 The Nurse Practitioner. Blind Review.

2009 - 2013 Nursing. Blind Review.

2009 - 2019 Advances in Skin and Wound Care. Blind Review.
